

American Legion Boys State of Kansas Leadership Academy

ACT Testing at KSU 6/11/11

If you are planning on taking the test at KSU on Saturday June 11th, we will get you up Saturday morning, get you to breakfast, and then escort you to the appropriate building so that you can take the test. You should pack all of your belongings PRIOR to leaving for the test that morning. Bring your luggage to Kramer Dining and we will give you a luggage receipt and hold it for you while you are taking the test. Once you are finished with the test, you can come back and claim your luggage. While you are taking the test, we will be cleaning out the residence halls and saying good bye to everyone else.

Be certain to bring any ACT paperwork you will need with you to Boys State.

The residence halls will be closed by the time you are finished with your test – and so that is why we ask that you pack up Friday night and bring us your luggage Saturday morning.

Please take a minute to e-mail me at thane.chastain@ksbstate.org and let me know that you will be taking the test Saturday morning at KSU so I have an accurate count for Saturday breakfast, etc.

Please note that there is no relationship between the American Legion Boys State of Kansas Leadership Academy and the ACT. We do not make any reservations for anyone to take the test and simply coming to Boys State does not automatically sign you up for the test at KSU. We have altered our schedule so that you can attend the closing ceremonies on Friday evening AND then take the test at KSU on Saturday. If you have not registered to take the test at KSU at wish to do so, that has to be done through ACT. If you are taking the ACT back in your home community and will need to leave on Friday evening prior to closing ceremonies, your parents need to send me a letter giving me permission to release you early.

If you need to leave early, a release permission letter should be sent to me prior to May 20th at:

If you have any questions, do not hesitate to ask.
